DEFINITIONS

The following definitions apply to the Plan. This is only a summary, for a complete listing of definitions, please see the Policy on file with the school.

Accident means an unforeseeable event which causes Injury to one or more Plan Participants

Home Country means the country where a Plan Participant has his or her true, fixed and permanent home and principal establishment.

Physician means a person who is a qualified practitioner of medicine. As such, he or she must be acting within the scope of his/her license under the laws in the state in which he or she practices and providing only those medical services which are within the scope of his/her license or certificate. It does not include a Plan Participant, a Plan Participant's Spouse, son, daughter, father, mother, brother or sister or other relative.

Sickness means illness or disease which requires treatment by a Physician while covered by this Policy. All related conditions and recurrent symptoms of the same or a similar condition will be considered the same Sickness.

DISCLOSURES

Insureds shall have the option of calling the local pre-hospital emergency medical service system by dialing the emergency telephone access number 911, or its local equivalent, whenever an insured is confronted with an emergency medical condition which in the judgment of a prudent layperson would require pre-hospital emergency services. We may in no way discourage them from using emergency services nor may we deny medical or transportation expenses for emergency medical conditions.

Benefits are provided for eligible Insured persons. This summary of coverage is a brief description of the important features of the insurance plan. It is not a contract of insurance. Complete provisions pertaining to this insurance are contained in the policy. In the event of any conflict between this summary of coverage and the policy, the policy will govern. The policy, which was issued by the insurance company to the Fairmont Specialty Trust, is renewable only at the option of the insurer. This plan is not designed to cover US residents and citizens. This policy is not subject to guaranteed issuance or renewal.

This insurance is not subject to and does not provide certain insurance benefits required by the United States' Patient Protection and Affordable Care Act ("PPACA"). PPACA requires certain US citizens or US residents to obtain PPACA compliant health insurance, or "minimum essential coverage." PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether this policy meets any obligations you may have under PPACA.
