

2023-2024 International Student Injury and Sickness Insurance Plan for Direct Secondary Schools - White Plan

Who is Eligible: Any student, holding an F1 or J1 visa, or whose permanent residence is not in the United States, and who is affiliated with a private secondary school of the participating organization in the United States, is eligible to purchase and participate in the Plan.

To Be Eligible, the Student Must Be: Enrolled in credit courses, and actively attending classes or a school sponsored camp or program of the participating institution.

The Company maintains its right to investigate student status to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is a refund of premium.

Effective and Termination Dates

Each participating private secondary school may have a different effective date. The policy allows for an effective date no earlier than July 1, 2023 and no later than September 30, 2023. Coverage is available for 12 months from the school's effective date. The Insured Person should check with the school they are attending for specific dates of coverage.

Pre & Post Enrollment Options Coverage is available for purchase to newly enrolled students who arrive in the United States prior to the beginning of the first term of study at their private secondary school, or Insured Persons who have completed their final term of study at their private secondary school and are either preparing to return to the Home Country or attend a college or university in the United States. This option provides up to 60 days of pre or post coverage.

Where can I get more information about the benefits available?

The plan brochure provides more detail of the coverage including benefits, exclusions, any reductions or limitations and the terms under which the coverage may be continued in force. Please contact the school for copies of the plan brochure.

Definitions

The following definitions apply to the Plan. This is only a summary, for a complete listing of definitions, please see the Policy on file with the school.

Accident means an unforeseeable event which causes Injury to one or more Plan Participants.

Home Country means the country where the Plan Participant has his or her true, fixed, and permanent home and principal establishment.

Physician means a person who is a qualified practitioner of medicine. As such, he or she must be acting within the scope of his/her license under the laws in the state in which he or she practices and providing only those medical services which are within the scope of his/her license or certificate. It does not include a Plan Participant, or a Plan Participant's Immediate Family.

Sickness means illness or disease which requires treatment by a Physician while covered by the Policy. All related conditions and recurrent symptoms of the same or a similar condition will be considered the same Sickness.

Plan is underwritten by: Crum & Forster SPC on and behalf of ITI SP, under the jurisdiction of the Cayman Islands, with its principal place of business at Suite 4210, 2nd Floor Canella Court, 48 Market St., Camana Bay, Grand Cayman KY1-1208, Cayman Islands.

By purchasing this insurance, you become a member of the Fairmont Specialty Trust

Benefits are provided for eligible Insured persons. The plan includes insurance and non-insurance benefits. This summary of coverage is a brief description of the important features of the insurance plan. It is not a contract of insurance. Complete provisions pertaining to this insurance are contained in the policy. In the event of any conflict between this summary of coverage and the policy, the policy will govern. The policy, which was issued by the insurance company to the Fairmont Specialty Trust, is renewable only at the option of the insurer. This plan is not designed to cover US residents and citizens. This policy is not subject to guaranteed issuance or renewal.

This insurance is not subject to and does not provide certain insurance benefits required by the United States' Patient Protection and Affordable Care Act ("PPACA"). PPACA requires certain US citizens or US residents to obtain PPACA compliant health insurance, or "minimum essential coverage." PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether this policy meets any obligations you may have under PPACA.
